FREEVIEW are adding channels all the time...

So to ensure you are receiving the full service please rescan your equipment. Your manufacturer can confirm whether your digital box/TV rescans automatically. If yours doesn't, you need to press "Menu" on your remote control and follow the on-screen instructions or those printed in your manual. A typical sequence is:

1. Press MENU on your remote control
2. From the Menu options, select the 'Tuning Menu'
3. Select 'Auto Setup' or 'Update' to rescan your digital TV
